

## **Funding**

The West Elementary LMC has multiple funding sources available. All State Library Enhancement funds shall be spent according to the Alabama Code. The West Elementary Budget Committee ensures that all Library Enhancement funds are appropriated to the LMC. The LMS serves on the Budget Committee.

Donations to the West Elementary LMC are managed from a separate account. Balances in this account may be from personal donations, group donations, grants, and /or payments received for lost or damage books, etc.

With regard to Library Enhancement funds, the Selection Committee (under the guidance of the LMS) shall review and recommend resources to be purchased in each budgeted area. The LMS shall make the final decision regarding the purchase of resources.

With regard to funds from the Donation Account, the Selection Committee shall make recommendations, as well as review selections/purchases made by the LMS.
